Summer Time

The better weather is almost here. Would you please make sure your child has a sun hat and if they need sun protection cream can this be applied at home before your child comes to school? They can bring this cream to school but staff cannot apply it so only send it in if your child can apply it themselves.

Reminders

Head lice

We have had a number of cases of head lice again and we request that if your child has hair long enough to tie back they do so whilst at school to reduce their chances of catching or passing on head lice if they become infested with them.

PE Kits

Please make sure your child has their PE kit in school on the correct days. Your child's PE days should be sent to you in the termly letters. We have had and will be having a number of Sports coaches come into school to deliver PE lessons and it causes problems if we have children without their sports wear. It also means your child may miss out on these coaching sessions.

Sweat Shirts

Would you please make sure that all of children's clothing has their name in it. We can return it when it is found if you put their name in it. PE kits need to be labelled as well please.

School Times

School begins at 8.45 and ends at 3.15
We would appreciate if children do not come onto the playground before 8.25 in the morning. If you have an emergency and cannot arrange for someone else to bring your child to school, if you contact myself we can come to some arrangement about bringing your child/ren early. Likewise at the end of the day if you are going to be late please let us know and we can supervise your children until you arrive or you could get in touch with Georgina Pepper and your child/ren could go to Manby Kiddie Care until you arrive. Many staff have commitments straight after school and are not always available to look after children when parents are late. Some children become distressed when parents are late and we have no idea where you are.

Parking

I have received complaints from the residents of St. Ediths Gate about parking mainly after school. This road is becoming blocked and the residents are unable to get in and out of this road. **Please find somewhere else to park.** I also understand they have informed the Police about this matter.
