Friday 20th January 2012

Dear Parents,

The Climbing Frame

You will be aware that, following a Health and Safety Inspection, our climbing frame has been condemned! I thank you for supporting us by keeping your children off it. We would like to replace it but it will be a very expensive project. FrOGS are looking at fund raising ideas and possible grant applications, as soon as we have more details we will be launching our Climbing Frame Appeal. In the meantime, if you have any ideas, please contact Helen Morriss, chairman of FrOGS.

Hot School Meals

We have been using the new supplier since the beginning of term and despite a few teething problems the general feeling is that the meals are enjoyable. Can we remind you that payment is required in advance for meals (cheques are preferred) and that if menu choices are not returned by the deadline requested then we will not order be able to order meals for your child. It would help if you retain the top of the menu so that both you and your child know what they have ordered as we seem to be having lots of enquiries about menu choices from the children on a daily basis. Can we remind you that all money being sent into school should be put in a sealed envelope (an old one will do) and labelled with your child's name, class and what the money is for. Nursery fees are payable in advance (preferably Monday to Wednesday).

*details to follow

Please note that these dates may be subject to change, we will keep you informed.

Parking

I do appreciate that this is an on-going problem. Please respect our neighbours by not parking in the Londis Car Park or blocking access for the residents of St Edith's Gate. We will understand if you are a little late due to parking problems. Also note that the patrons of Bambarinos and The Lancaster pub have kindly allowed parents to use their car parks at drop off and pick up times. The village hall car park may also be used when there is not a function in the village hall. I would also like to remind you that it is the policy of our school that only staff and official visitors are permitted to use our car park and you are reminded not to use the care park for dropping off or collecting your children. Our gates are usually shut between 8.30am and 9.30am to prevent vehicle movement to protect the safety of our children in that area.

It is very important that we continue to work together to secure the best outcomes for our children, we want them to be happy and motivated learners. Please do not hesitate to contact us with any questions, concerns or worries.

Yours sincerely,

Lesley Pringle
Headteacher
